### **PERU CENTRAL REQUESTS HALL OF FAME NOMINATIONS**

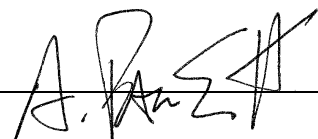

*Nomination Forms Available from High School and Due January 23<sup>rd</sup>*

---

Residents and alumni of Peru Central School District are encouraged to help the school district recognize outstanding public service by nominating individuals who have had a significant positive impact on Peru Central, according to Superintendent of Schools A. Paul Scott.

Peru Central's Hall of Fame features individuals selected by the high school's hall of fame committee. Criteria used by the committee to select individuals from among those nominated include how the nominated individual had a significant positive impact on the organization and how the nominated individual contributed to the organization's programs or services in some noteworthy capacity. Recently inducted into the Peru Central Hall of Fame was **Fran Allen**, who earned the SUNY Albany Distinguished Alumni Award and a place in the Women in Technology International Hall of Fame. Also recently inducted was **John Roach**, Korean War veteran, public school teacher and volunteer firefighter; and **Ron Wilson**, former Peru High School Principal, Peru Teacher of the Year, field supervisor of student teachers for SUNY Plattsburgh.

Nominees for Peru Central's Hall of Fame must be retirees, graduates or otherwise not directly affiliated with Peru Central Schools for at least five years. An induction ceremony for new members of the Peru Central Hall of Fame will take place later this school year. Nomination forms may be obtained at Principal Mazzella's office by telephoning Principal Mazzella at 643-6401 or by dropping by Peru High School's office. Completed nomination forms are due by January 23<sup>rd</sup> at the high school office.
