Dear Congressman Owens:

On behalf of our nearly four million members, the National Rifle Association Political Victory Fund endorses your candidacy for reelection to the U.S. House of Representatives in the 23<sup>rd</sup> congressional district of New York. Based on your solid pro-gun voting record in Congress, you have earned an "A" rating from the NRA-PVF in this election.

As a member of Congress, you have demonstrated a proven and consistent commitment to our Second Amendment rights. You signed the pro-gun congressional amicus brief in the *McDonald* case, arguing that the Second Amendment guarantees a fundamental right that protects all Americans. We also appreciate your cosponsorship and support for legislation to force much-needed reform at the federal Bureau of Alcohol, Tobacco, Firearms and Explosives. Finally, we appreciate your cosponsorship of the national Right-to-Carry reciprocity bill which would allow any person with a valid state concealed firearm carrying license or permit to carry a concealed firearm in other states.

Again, thank you for your unwavering support for gun owners, hunters and shooters in New York's 23<sup>rd</sup> congressional district. Good luck this year and we look forward to our continued relationship.

Sincerely,

A handwritten signature in black ink that reads "Chuck Cunningham". The signature is stylized and written in cursive.
