

May God give you:

A humble love
which extends itself;
A generous love
which forgets itself;
A strong love
which is not afraid of pain;
A stable love
which does not change;
A patient love
which can bear everything;
A fervent love
which never weakens;
A constant love
which never falters.

This is the kind of love
I wish for you.

in my *Heart*

Oh Len, it was so good
to see you, even though it
was a brief moment.

Thank you for coming!
Sorry, I didn't meet your
pretty wife. Someday
unsuspectly will meet!

And thanks for your
pretty card and your
gracious gift!

Many thoughts of
good old school days
come back!
God's love be Yours!

Dear Len, Noela + Family

Thank you and God bless you
for remembering me on
the occasion of my jubilee.

Your remembrance and prayers
were a blessing that made my day
so very special.

You will be remembered in my prayers
before the Blessed Sacrament.

Yes, daily I place you
into the Lord's embrace and
pray that His care extends to
each of you! Love you!
